

Subscription Fee Schedule

H C Maia's services are available via **subscription**. This means you can engage us for a fixed period of 3, 6 or 12 months at one of 5 levels of engagement (see below).

During the period of engagement, we are available to your organisation at any time during normal business hours to undertake any tasks you might require that fall within our range of professional support skills, and within the limits of the engagement level chosen. We effectively become an additional highly skilled employee for the period of your subscription, and you don't have to worry about tallying hours.

Your choice of engagement:

Exclusivity

Complete exclusivity for uninterrupted wrap-around business development solutions

Competitive edge

Industry-exclusivity² for your major and ongoing business development needs

Business advantage

For larger or multiple projects requiring more intense application

Business streamlining

For smaller projects, simple collaborations and solutions

Business assistance

For occasional tasks, simple projects and support
